The management of P G Foils Limited presents the analysis of performance of the company for the year 2015-16 and its outlook for the future. The outlook is based on assessment of the current business environment. It may vary due to future economic and other developments.

**Industry Scenario**

Due to various steps taken by new government for growth of industry under “Make in India” program, industrial environment showed remarkable improvement and foil industry too. During last one year demand of foil increased mainly due to increase in production of pharmaceutical medicine, less import of foils from china and close of some foil units in country.

GDP growth rate for the year to come is estimated to 6.5% to 7% which will also contribute in our future growth significantly and we expect a good year for foil industry. We expect nearly 5% to 10% growth in our industry for current year.

**Future outlook**

We look forward improvement in foil demand on account of growth of pharmaceutical industry by 10 to 15%. We request Government to impose Anti dumping duty on foil to revive the foil industry in country. We hopeful that Government will take favorable view on our request.

We also expect increase in production and quality improvement due to up gradation of technology at various processes in our units in last one year.

**Operational performance**

Company achieved a Gross turnover excluding trading turnover of Rs. 232.44 Crores as against Rs. 239.12 Crores in the previous year and production for the year 6860.93 MT as against last year 6516.48 MT.

**Financial Performance**

Profit before tax for the year is Rs. 14.08 Crores compared to profit of Rs. 8.08 Crores in last year, higher mainly due to extraordinary receipts.

Company contributed a total Rs.23.79 Crores to the National Exchequer as Excise Duty.

**Resources & Liquidity**

Company continues to maintain its conservative financial profile. Company Banked with IDBI Bank Limited for their working capital needs. Company has sufficient working capital limits of Rs. 115 Crores from IDBI Bank Ltd at concessional and extremely competitive interest rate. Presently Company is not availing any cash credit facility due to ample liquidity. Cash Flow for less than 2 years is adequate to extinguish its entire debts timely. Company made most of local purchases on cash basis at discounted rates and overseas purchases on credit basis at cheaper interest rates available under buyer's credit facility.

**Opportunities and outlook**

Company have opportunity to increase production and sales turnover due to acceptance of product by most of the major Pharma Companies in India and Bangladesh and close of few foil manufacturer in country. Company also see opportunity in improvement in margin due to possibility of imposition of Anti dumping duty.

**Threats**

Due to downfall in metal and grannual rates, customers may ask for rate reduction and more import activities form China and other countries at lower rate if no Anti dumping duty impose by Government.

**Risks and Concerns**

Your company faces risk with similar to those faced by companies operating in the non ferrous metal sector. **“Annexure B” to the Independent Auditor's Report of even date on the Standalone Financial Statements of P.G. FOILS LTD.**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of P.G. FOILS LTD. as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects..

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the

Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India
